Something is hiding in the heart of the city – and it’s about to be unleashed. Behind every myth, there’s a spark of truth. . .

Only one woman can persuade him to embrace his powers... Brandon Merrick is determined to banish his shifter nature forever. The charismatic tattooed surfer is on the cusp of the ultimate challenge - to prove himself on the whitecaps of Hawaii and secure his future as a pro surfer. But his dragon isn’t prepared to be tamed so easily... One look at marine biologist Liz Barrett ignites the spark of the firestorm: Liz is his destined mate and his chance for happiness. While Brandon sees their first night together as just the beginning, his dragon seizes the upper hand. Awakening in the company of a raging dragon challenges Liz’s ability to believe her own eyes. Can Brandon accept his inner beast in time to make it work with Liz? Neither one realizes that Brandon is caught in an ancient Slayer’s scheme to enslave him. When the deadly plot ignites, the very island will be at risk...and Brandon and his mate could be the ultimate sacrifice. “Dodging your birthright is the theme of the latest terrific Dragonfire novel, as both the hero and heroine attempt to deny their bloodlines. **The Slayer of Souls** - Robert W. Chambers - 101-01-01
“Only when the Nan-yang Maru sailed from Yuen-San did her terrible sense of foreboding begin to subside.For four years, waking or sleeping, the awful subconsciousness of supreme evil had never left her.But now, as the Korean shore, receding into darkness, grew dimmer and dimmer, fear subsided and grew vague as the half-forgotten memory of horror in a dream.She stood near the steamer’s stern apart from other passengers, a slender, lonely figure in her silver-fox furs, her ulster and smart little hat, watching the lights of Yuen-San grow paler and smaller along the horizon until they looked like a level row of stars.”

**Embers** - Val St. Crowe - 2016-10-07
Clarke Gannon does not want to be involved with dragon-shifter Naelen Spencer. Seriously. No matter how broad his shoulders are, or how much self-professed groveling he does, or how devoted to her he claims to be, she’s not interested. When her ex, gargoyle Logan Gray, shows up asking her to run away with him, she feels as though she ought to take him up on his offer, but something’s holding her back. It’s not Naelen, though. Really, it’s not. She’s glad to have a distraction when Naelen tells her about some scientists who have been doing experiments on rogue dragons in a remote lab in the Colorado mountains. Now, the dragons have escaped into the facility, and they’re killing anyone that comes across their path. Killing dragons is what Clarke’s good at. She’d rather stare death in the face than try to deal with her confusing love life. And that’s exactly what she plans on doing.

**Children of Fire** - Drew Karpshyn - 2013-08-27
Drew Karpshyn has made his mark with imaginative, action-packed work on several acclaimed videogames, including Mass Effect and Star Wars: Knights of the Old Republic, as well as in a succession of New York Times bestselling tie-in novels. Now Karpshyn introduces a brilliantly innovative epic fantasy of perilous quests, tormented heroes, and darkest sorcery—a thrilling adventure that vaults him into the company of such authors as Terry Goodkind, Brandon Sanderson, and Peter V. Brett. Long ago the gods chose a great hero to act as their agent in the mortal world and to stand against the demonic spawn of Chaos. The gods gifted their champion, Daemron, with three magical Talismans: a sword, a ring, and a crown. But the awesome power at his command corrupted Daemron, turning him from savior to destroyer. Filled with pride, he dared to challenge the gods themselves. Siding with the Chaos spawn, Daemron waged a titanic battle against the Immortals. In the end, Daemron was defeated, the Talismans were lost, and Chaos was sealed off behind the Legacy—a magical barrier the gods sacrificed themselves to create. Now the Legacy is fading. On the other side, the banished Daemron stirs. And across the scattered corners of the land, four children are born of suffering and strife, each touched by one aspect of Daemron himself—wizard, warrior, prophet, king. Bound by a connection deeper than blood, the Children of Fire will either restore the Legacy or bring it crashing down, freeing Daemron to wreak his vengeance upon the mortal world. BONUS: This edition includes an excerpt from Drew Karpshyn’s The Scorched Earth. Praise for Children of Fire “This intricately layered adventure breathes realism and overshadowing menace into ancient mythic archetypes, exposing the pain and wonder inherent in magic and the mingled hope and cynicism of modern fantasy.”—Publishers Weekly (starred review) “A rousing quest fantasy . . . a fast-paced action-packed good and evil thriller.”—SF Revu “From the first page of Children of Fire, Karpshyn captures the reader’s attention with his excellent, intricate storyline.”—RT Book Reviews “Children of Fire stands on its own as a thoroughly entertaining tale. The book strikes a perfect balance between character driven storytelling and rich world building.”—Rogoo Depot “[Karpshyn] is truly a master of world building. . . . I would recommend this title to any fan of the genre.”—Among the Wreckage “Compulsively readable, wildly entertaining.”—A Girl, A Boy and A Blog “Children of Fire is engrossing, and full of characters that are modern. . . . I thoroughly enjoyed Children of Fire and look forward for the next two books.”—FANgirl Blog “Drew Karpshyn weaves a rich, contrasting tapestry of epic story and doom. Gripping and compelling from first page to last, Children of Fire is a dark-chocolate fantasy; delightfully biting and delectable at once. Four ill-fated children born under a sign of chaos and flame carried me on a journey into an intriguing world of shadowy wonder. It is a spellbinding epic told with masterful craft. Well done, Drew!”—Tracy Hickman, New York Times bestselling co-author of the Dragonlance and Death Gate series

**Children of Fire** - Drew Karpshyn - 2013-08-27
Drew Karpshyn has made his mark with imaginative, action-packed work on several acclaimed videogames, including Mass Effect and Star Wars: Knights of the Old Republic, as well as in a succession of New York Times bestselling tie-in novels. Now Karpshyn introduces a brilliantly innovative epic fantasy of perilous quests, tormented heroes, and darkest sorcery—a thrilling adventure that vaults him into the company of such authors as Terry Goodkind, Brandon Sanderson, and Peter V. Brett. Long ago the gods chose a great hero to act as their agent in the mortal world and to stand against the demonic spawn of Chaos. The gods gifted their champion, Daemron, with three magical Talismans: a sword, a ring, and a crown. But the awesome power at his command corrupted Daemron, turning him from savior to destroyer. Filled with pride, he dared to challenge the gods themselves. Siding with the Chaos spawn, Daemron waged a titanic battle against the Immortals. In the end, Daemron was defeated, the Talismans were lost, and Chaos was sealed off behind the Legacy—a magical barrier the gods sacrificed themselves to create. Now the Legacy is fading. On the other side, the banished Daemron stirs. And across the scattered corners of the land, four children are born of suffering and strife, each touched by one aspect of Daemron himself—wizard, warrior, prophet, king. Bound by a connection deeper than blood, the Children of Fire will either restore the Legacy or bring it crashing down, freeing Daemron to wreak his vengeance upon the mortal world. BONUS: This edition includes an excerpt from Drew Karpshyn’s The Scorched Earth. Praise for Children of Fire “This intricately layered adventure breathes realism and overshadowing menace into ancient mythic archetypes, exposing the pain and wonder inherent in magic and the mingled hope and cynicism of modern fantasy.”—Publishers Weekly (starred review) “A rousing quest fantasy . . . a fast-paced action-packed good and evil thriller.”—SF Revu “From the first page of Children of Fire, Karpshyn captures the reader’s attention with his excellent, intricate storyline.”—RT Book Reviews “Children of Fire stands on its own as a thoroughly entertaining tale. The book strikes a perfect balance between character driven storytelling and rich world building.”—Rogoo Depot “[Karpshyn] is truly a master of world building. . . . I would recommend this title to any fan of the genre.”—Among the Wreckage “Compulsively readable, wildly entertaining.”—A Girl, A Boy and A Blog “Children of Fire is engrossing, and full of characters that are modern. . . . I thoroughly enjoyed Children of Fire and look forward for the next two books.”—FANgirl Blog “Drew Karpshyn weaves a rich, contrasting tapestry of epic story and doom. Penny Caspian's the name. But I'm trying to lie low, not run around interrogating half the dragon community—or one dragon in particular. My ex. Yeah, I left my destined mate. I know, I know. Dragons don't do that. Trust me. It's better this way. This detective, though, he's not taking no for an answer. Did I mention he's pretty? But haunted and hiding something. There's some deep-down trouble in that boy's hollow eyes, and I got enough trouble of my own. Vampire motorcycle gangs. Wounded gargoyles. Locked dragon crypts. Maybe it's because I saw that shifter's broken body, washed up on the beach. Maybe it's her dead, empty eyes. It's something, the hell if I know what, but I am going to find that killer. Death was only the beginning. My name is Audrey Lyons, and I'm dead. I've also just learned that everyone in the afterlife is given a job . . . for all of eternity, and I've been assigned to be a demon hunter. This could be bad-physical activity and I aren't on speaking terms and my trainer, Logan, is as infuriating as he is attractive. Just when I think my life-or-rather, afterlife-is all punch, stab, rinse and repeat, I find myself the wielder of the most powerful sword in existence and the key to unleashing the apocalypse. With Satan gunning for me, the lives of the living, the fate of my fellow hunters, and the balance between good and evil now rests in my hands. But no pressure, right? Fans of The Mortal Instruments, Buffy the Vampire Slayer, and Supernatural won't want to miss out on all the twists and turns in this clean YA Fantasy journey. Grab your copy of the book that readers have called "captivating," "stunning," and "refreshingly beautiful!"

This set includes all four books in the Life After series by USA Today bestselling author, Julie Hall. That's over 1,250 pages of action-packed, high-stakes, swoon-worthy fantasy adventure! Novels in this series have won 11 industry awards and an exclusive bonus scene is included with every purchase! My name is Audrey Lyons, and I'm dead. I've also just learned that everyone in the afterlife is given a job . . . for all of eternity, and I've been assigned to be a demon hunter. **The Girl with Ghost Eyes** - M. H. Boroson - 2015-11-03

"The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, The Girl with Ghost Eyes is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

**The Girl in Between** - Sarah Carroll - 2017-06-20

"A deeply moving story of family, homelessness, and the ghosts that won't let us go. Haunting and unforgettable."—Megan Shepherd, New York Times bestselling author of The Secret Horses of Briar Hill Told in the naive voice of a homeless girl sheltered by her mother from the world, this is a moving debut perfect for fans of David Almond, A Monster Calls, and Room. I'm invisible. Ma says I'm supposed to be so the Authorities don't get me. She goes out into the streets almost every day but I'm not allowed. I've got to stay inside the mill so they don't see me. In an old, abandoned mill, a girl and her ma take shelter from their memories of life on the streets, and watch the busy world go by. The girl calls it the Castle because it's the biggest place they've ever stayed, a home of her own like no other. The windows are boarded up and the floorboards are falling in, but for her neither of those things matter. Then developers show up, and it's clear that their lives are about to change forever. Desperate to save their refuge from the Authorities and her mother from her own personal demons, the girl seeks out the ghosts of the mill. And with only Caretaker—the old man who's slept outside the mill for decades—around to answer her questions, she begins to wonder what kind of ghosts are haunting both the mill and her mother. The Girl in Between is a compelling, witty, and at times heartbreaking novel that explores themes of loneliness and grief with effortless warmth and an unforgettable voice that will stick with you long after you've finished.
