Damnation Marked - SM Reine - 2014-03-01

There’s something in the earth deep below Elise Kavanagh’s territory. A shadow is falling upon local demons to devour their flesh and harvest their souls. And it’s coming for Elise next. The Union has an easy way out. They want to send Elise into hiding again with her former partner, James Faulkner. All she has to do is surrender the territory and trust that they can protect the ethereal ruins, the dark gate, and the city she’s come to know as home. Greater powers have other plans for Elise and her fabled power as Godslayer-plans that mean surrendering her life and blood to the most powerful demon alive. But if she descends, there’s no turning back. Once she gazes into the abyss, it will gaze back into her...and Elise will be damned forever.

Stand Firm - Paul Gould - 2018-11

In an age of skepticism and disenchantment, people long for something that satisfies our mind’s search for truth and our heart’s desire for beauty and meaning. Stand Firm: Apologetics and the Brilliance of the Gospel argues that the gospel satisfies both of these needs. It is true and rational, but it is also inherently attractive and provides meaning and purpose. In short, the gospel is brilliant. It is brilliant, in one sense, because of the broad variety of evidences for its truth. But it is also brilliant given its beauty, goodness and the meaningful life it offers. The book provides up to date responses to questions about the existence of God, the reliability of the Bible, Jesus and the resurrection, and the problem of evil. It also treats unique topics such as understanding truth, knowledge and faith, the claims of alternate faiths, religious disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.

Ten Poems to Open Your Heart - Roger Housden - 2007-12-18

Ten Poems to Open Your Heart is a book devoted to love: to the intimacy of personal love and lovemaking, to a loving compassion for others, and to the love that embraces both this world and the next. This new volume from Roger Housden features a few of the same poets as his extraordinarily moving Ten Poems to Change Your Life, such as Mary Oliver and Pablo Neruda, along with contributions from Sharon Olds, Wislawa Szymborska, Czeslaw Milosz, Denise Levertov, and others. Any one of the ten poems and, indeed, any one of Housden’s reflections on them, can open, gladden, or pierce your heart. Through the voices of these ten inspiring poets, and through illustrations from his own life, Housden expresses the tenderness, beauty, joys, and sorrows of love, the presence of which, more than anything else, gives human existence its meaning. As Housden says in his eloquent introduction, “Great poetry happens when the mind is looking the other way and words fall from the sky to shape a moment that would normally be untranslatable. . . . When the heart opens, we forget ourselves and the world pours in: this world, and also the invisible world of meaning that sustains everything that was and ever shall be.” From the Hardcover edition.
